

## **F32T8/841**

---

<b>Wattage</b>	32 watts
----------------	----------

---

<b>Bulb Shape Size</b>	T8
------------------------	----

---

<b>Bulb Base</b>	G13
------------------	-----

---

<b>Incandescent Equivalent Wattage</b>	150 Watts
--	-----------

---

<b>Specific Uses For Product</b>	Fluorescent Tube Lights
----------------------------------	-------------------------

---

<b>Light Color</b>	Cool White
--------------------	------------

---

<b>Voltage</b>	120 Volts
----------------	-----------

---

<b>Color Temperature</b>	4100 Kelvin
--------------------------	-------------

---

<b>Brightness</b>	2800 Lumen
-------------------	------------

---

<b>Light Source Operating Life</b>	13000 Hours
------------------------------------	-------------

---

<b>White Brightness</b>	2800 Lumens
-------------------------	-------------

---

<b>Length</b>	48"
---------------	-----
